From The Deputy Commissioner Chitaldroog District

To The Secretary to the Government of Mysore ~~Dewan~~ General and Rev: Departments

Dated 8th April 1897.

Despatched

Received

General No. 795

No. 735

Enclosure No. 1

Has the honour to forward herewith for sanction and return, an estimate for Rs: 1014/- for constructing a well in the bed of the tank within the limits of the Hiriyadurga Municipality.

2. As the difficulty for water is very much felt by the residents of this place, the construction of the well in question is one of absolute necessity.

3. No funds are available for the work in the current years municipal Budget of that Municipality and in next year too the requisite funds will not be fully available from the same source

1888 24.4.97 Ebl 95

Submitted with a memo for orders. DMJ 24/4/97

source. It is therefore proposed that half the Cost of the Estimate may be met this year from the grant of Rs: 10,000/. sanctioned from Local Funds General in Govt Pro: No: 59D dtd 21st March 1897, the other half being met from the funds under the head VIII Public Works provided in the Budget of that Municipality for 1896-97.

4. The work has been started in anticipation of sanction.

— Docketh sec. 795/735 dated

"April 1 97 from the President

enclosing a petition in the

Chitaldrug Distt. submitting

for sanction an estimate

for Rs 1074/- for constructing

a well in the bed of the Hosadrug tank

"

Order thereon 12140/1-96 9/5/97

hi: one estimate to D.C. RL 2083.

Govt—

It is observed that the ordinarily bed of a tank is not the proper

place for the construction of

a pukka permanent well. The

or pukka aqueduct a well in the bed of the

expressed in above tank was undertaken

4 years ago and more than

Rs 1000 was spent upon it, but

that owing to the ineligibility

of its situation, it collapsed

during a heavy rain. The

excavation of another such

well at such a heavy cost

as Rs 1074 seems, therefore, to

be a measure of questionable

propriety.

The President is therefore requested

to report whether it would

Another like foregoing correspondence

91 04

not be preferable to select some other spot for the construction of the proposed well, and if that is not feasible, whether a cheap temporary well to tide over the present water scarcity would not be more desirable than a pukka permanent well.

The Secretary is further requested to state whether the estimate in question is not for the improvement of a ~~damaged~~ collapsed well referred to above as having collapsed

para 3 –
The Estimate submitted by the President is not clear as to whether it relates to a proposed new well – perhaps the drawing will show – or an old well which stands in need of improvement and completion,

to furnish Govt with full particulars of the nature & scope of the work proposed to be undertaken

Deputy Commissioner's Office
Chitaldroog District
Dated 19th May 1897.

To

The Secretary to the
Government of Mysore
Genl and Rev: Depts:

Sir, I have the honour to acknowledge receipt of Proceedings of Govt: No: 12148 / L.F.1-96, dated 8th Instant, regarding a drinking water Well that is being sunk in the bed of a tank near Hosadurga for the use of the inhabitants of that town.

2. In reply I beg to state that the Well for which an Estimate is now sent is being Constructed much nearer the town than the old well referred to in the 1st para of the Proceedings, and as it is now nearly Complete it has become very useful to the inhabitants, as it is the only source which yields an adequate supply water. Fortunately a good of the Well is cut in Solid and there is no fear of its

at all, The front three Cut in rock need not be revetted And the Extra Cost involved is more than made up by the lower portion of the Wall not requiring any revetment at all.

3. The Estimate relates to a perfectly new well, And has to be revised in view of the altered nature of the work found necessary in Course of Execution. I inspected the work a few days ago and found it was making satisfactory progress. On Completion of it I shall send a revised Estimate for the same and in the meantime beg that provisional Sanction of Government may be obtained for the work and for the Cost incurred thereon being debited as suggested in My docket No. 795 of 735 8th April 1897.

4. The Estimate returned is herewith respectfully transmitted.

I have the honour to be

Office of the Deputy Com.
Chikaldrug District
Dated 9th September

To

The Secretary to the Government of
Mysore General and Revenue
Departments.

Sir,

In forwarding herewith a revised Estimate (together with a Comparative statement) amounting to Rs 2138/- for sinking a well in the bed of the Cauk at Hosdrug, I have the honor to state that a Sum of Rs 1014/- was provisionally sanctioned for the work in Proceedings No. 12924-5 / 2.7.1.96 dated 4th June 1897 Subject to the submission of a revised estimate on the Completion of the work, for which an excess provision of Rs 523 over the sanctioned amount was made and sanctioned in the

Statement of Works requiring appropriation from Local Funds General during the current year. The net increase of Rs 1124/- will be met from the said sum of Rs 523/- sanctioned in the statement of incomplete works of last year and from the balance of Rs 138/- available in the Budget of that Municipality for the current year under the head VIII. Public Works, the balance of Rs 463/- required to make up the defficiency to meet the excess cost of Rs 1124, as per Revised Estimate being met from the provision of Rs 5000/- sanctioned from Local Funds General in Proceedings No 1000 dated 10th August 1897.

2 The work has cost a large sum. It is on the other hand a very substantial structure and its usefulness to the residents of this place has already been proved.

3. I beg therefore that the Revised Estimate be sanctioned.

I have the honor to be,
Sir,
Your most obedient Servant

[illegible]
President
